Projects

Name	Research question
Josias	Als Vorbereitung für die Hauptseminararbeit möchte ich die “favorite 100” textfiles von Jason Scott untersuchen. Konkret soll untersucht werden, ob inhaltliche Auffälligkeiten bestehen, die möglicherweise Rückschlüsse auf Scotts Interessen und seine Biografie zulassen.
Bastian	Entwicklung der Patentanmeldungen im Bereich 3D-Technologien
Michelle	Unterschiede des genutzten Wortschatzes der verschiedenen Interviewteilnehmer*innen in den Interviews meiner Bachelorarbeit untersuchen. Spielt Quantität oder Kontext der Worte eine grössere Rolle?
Noah	Unterschiede im Wortschatz dreier schweizer Parteien (SVP, BDP, die Grünen) im aktuellen Wahlprogramm
Julian	häufig verwendete Wörter zwischen verschiedenen Subreddits vergleichen und schauen, ob diese eine Auswirkung auf die Likes haben
Stefan	Untersuchung des Wortschatzes der UN General Debates zwischen 1970-2016. Werde verschiedene Zeitrahmen setzen (bsp. 1970-1980,1980-1990,etc) und schauen welches die meistbenutzten Wörter sind.

A wide-angle photograph of a large audience seated in a dark arena, looking towards a brightly lit stage. The stage is illuminated by several powerful spotlights, creating a high-contrast scene. The audience is mostly in silhouette, with some individuals visible in the foreground. The stage area is filled with light, and the overall atmosphere is one of anticipation and excitement.

The stage is yours

I hear you ...

A man wearing a red beanie and a dark jacket over a white t-shirt stands on a city street at night. He is looking slightly to his left. The background shows a building with large glass windows and doors, some of which are illuminated from within. A semi-transparent grey rectangular box is overlaid on the image, containing the text "Good Bye...".

Good Bye...
